

Marist Harewood Junior Cricket Club

Superstar Cricket Academy

Especially for our younger players (from Four years old) or if an older child isn't quite ready to play Saturday cricket yet – then Superstar Cricket Academy is just right for you!

Superstar Cricket Academy is held on a Friday night at the clubrooms from 5.30pm-6.30pm.

The aim of the Superstar Cricket Academy is to get children involved in our sport and to build a new generation of cricketers by helping children discover, explore, and learn to love the game. Cricket is one of New Zealand's most popular summer sports and by taking part in the Superstar Cricket Academy helps our youngest participants join in on the fun of cricket.

Cricket is a great team sport with a rich variety of roles for all children, no matter what gender, age or ability. Through the Superstar Cricket Academy's skills-based sessions, children develop skills, movement and techniques to enjoy the game of cricket. Children will be learning the rules of the game as well as learning the skills of bowling, attacking batting, fielding and wicket-keeping – so that hitting sixes, taking wickets and holding on to catches are within the grasp of all involved.

The Superstar academy costs \$65 for the season and kicks off on Friday 23rd October 2020.

Our Website has all the information www.maristharewoodcricket.com & a registration form – or feel free to come to our registration days (also detailed on our website)
You can also turn up on the night to register as well

We are happy to offer you and your child the first session for free & see what your child thinks – if they want to continue fantastic you can pay the subs and off we go, if not then that's ok too.

Many thanks
Scott Radcliffe
Junior Convenor – MHCC Junior Committee
